

Dear Hiring Manager,

I am writing to apply for a role within your organisation. I am a reliable and compassionate support professional with experience in healthcare, caregiving, and maintaining safe, clean environments.

In my recent role as a Healthcare Assistant, I supported patients with daily activities, maintained high hygiene standards, and worked effectively within a team to deliver person-centred care. I also bring extensive experience supporting both children and elderly individuals, promoting independence, well-being, and dignity.

I am hardworking, adaptable, and committed to providing high-quality care and support. I would welcome the opportunity to contribute to your team.

Thank you for your consideration.

Yours faithfully,
Judith Magambo Ankunda
